STONYHURST

NEWSLETTER

From the Principal

Dear Parents,

Welcome to the October edition of the Stonyhurst International School newsletter. It has been another busy month for our team as we continue to focus on construction, curriculum and policy design, our online learning provision and prepare to begin our recruitment cycle for academic staff.

Message from the Assistant Principal

James Mower

Every teacher is a teacher of English

International schools are often made up of a wide demographic of students from around the world. Some schools have one nationality that dominates the student role and at others there is an even mix of students from different countries. There is one factor that is likely to unite all international schools and that is that a large majority of the students will speak English as an additional language, wherever they originate from. As a result it is vital for international school teachers to recognise the unique challenges that these students face and understand why teaching in an international setting requires new skills and approaches to teaching.

Squid Game

There's a strong likelihood that you've heard of a show called "Squid Game" which is trending on social media. This Netflix show has grown into a global phenomenon since its debut on September 17, attracting an estimated 142 million viewers after its first 28 days and becoming the most watched Netflix original show in history.

Music Classroom Level 1

Our Music Classroom offers a flexible space for our young musicians to work. It can cater for whole class music theory classes as well as for smaller instrumental and performance groups. With access to a wide range of musical instruments, our music department provides the ideal environment for our music students.

Drama Classroom Level 1

We have created outstanding spaces for our Drama department, including the Black Box Theatre, a Large Auditorium and our contemporary Drama classroom. Our Drama classroom has flexible furnishing, including a small performance stage with sound and lighting, allowing our students a variety of options when performing.

Music Practice Rooms Level 2

We have designed a number of small Music Practice rooms for individual instrumental lessons and practice. These well resourced, sound-proofed spaces offer a perfect location for our students to develop their music skills.

Interior Design Visuals

ICT Classroom Level 3

Our ICT classroom is fully fitted with all of the latest technology, giving our students another place to develop their IT skills. This room will also be used in our co-curricular programme as well as providing an option for students to sit online examinations.

Art Classroom Level 4

With large tables for group work and smaller spaces for individual creative work, our light and airy Art classrooms are fully equipped for all of our budding artists.

Art Gallery Level 4

Alongside our Art classrooms we have created a purpose built gallery space which is where we will feature the art work created by our students. This space will house an evolving collection of art work and also be the focus space for our House Art competition.
