

Academic Excellence

Be the Change You Want To Be in This World

Brothers; Ian and Jamie Lim have put Stonyhurst in the limelight yet again! Both of them were named Champions in the Senior (ages 15-17) and Junior Category (ages 10-12) respectively in the National Public Speaking Competition.

The Lim brothers made it to the finals after two qualifying rounds. The grand finals which was held in Universiti Sains Malaysia (USM) on November 11th saw the brothers presenting their well-prepared speeches and answering impromptu questions from the judges to win the competition.

Hits and misses in the basketball court

The Stonyhurst U15 Basketball team (boys and girls) ventured all the way around the island to POWIIS Balik Pulau.

The girls played first, and with the huge number of players at POWIIS, we decided to run an A-team and a B-team game.

The A-team played first and despite a cacophony of noise and partisan support in the POWIIS gym, we scored early and never looked back. POWIIS did draw level on two occasions, but it was the visiting Stonyhurst side that came away with a 16-4 victory thanks to 3 baskets apiece from SherMin and Yasha, and a further 2 from the captain SoHee.

Weld smashed their way to the top

It was a hotly contested event, with a large number of students representing their Lines for Years 3 to 6. We had 2 Boys Singles competitions, 2 Girls Singles competitions and a Mixed Doubles event, with short-sharp matches, in order to get all the matches in.

Perspective and Horizons

Making waves in architectural design

Stonyhurst International School Penang was given an Honourary Mention in the Asia Pacific Space Design Association (APSDA) recently.

IDr Ronnie S B Choong who was the architect responsible for the school's spacious, fresh and innovative design was given this honourable recognition under the Project of the Year Category (Public).

Open Day

Our first Open Day in the new academic year was a resounding success. With more than 50 families attending the event, our guests were all impressed with the school's fantastic facilities. Even more impressive was our Pupil Council leaders who led our guests on school tours, displaying eloquence and truthfulness, two distinctive characteristics of the Jesuit Pupil Profile. The next Open Day will take place in January 2024, so be sure to register to attend the event!

Stonyhurst Shines Bright: Deepavali Celebration

Deepavali holds a special place in the hearts of many Stonyhurst families. This year, our school embraced the essence of Deepavali and our cherished Jesuit values of unity, diversity, and the celebration of the human spirit.

To begin the day, the students from each year showcased their talents in music by dancing and singing to famous Bollywood songs. Dressed in vibrant traditional attire, they came together to perform mesmerising dances, melodious songs, and captivating instrumental pieces. The stage lit up with their enthusiasm and creativity, embodying the Jesuit value of celebrating individual talents while fostering a sense of community.

Let's play Monopoly – Penang style!

Did you know that the famous real estate board game, Monopoly, now has a Penang version? Yes, that's right. Penang is the first state in Malaysia to have its own board game that will feature iconic streets and landmarks in the state. In partnership with the game makers, Stonyhurst International School is featured in this version of the game, occupying one of the two pieces of education real estate.

In celebration of this honour, the school launched an annual Interline Monopoly Tournament. Mr Monopoly was here to launch the tournament on Wednesday and it was a huge success!

Faith that does Justice

We have rights too!

Grammar's (Year 10) service learning focus for this year is 'what are children's rights and why are they important?' In their Service Learning lessons, the Grammar class were tasked with creating a presentation for Year 6 students about children's rights. Among the things that they had to consider were how to use explanatory techniques effectively, how to make a successful presentation and how to ensure the content was appropriate for younger students.
