

Academic Excellence

FOBISIA Visit

Last week, we were also delighted to welcome guests from FOBISIA who were completing our in-school inspection to join the FOBISIA network of schools. They enjoyed meeting staff, parents and pupils, learning about our school and sharing with us the benefits we will all have as a FOBISIA school. We look forward to sharing the results of their visit soon!

Professional Cup Hopes Table Tennis Competition

We are delighted to announce that Ostin achieved an outstanding accomplishment by securing the 2nd runner-up position in the Professional Cup Hopes Table Tennis Competition. His dedication, perseverance, and exceptional talent have shone through in this achievement. Let's extend our heartfelt congratulations to Ostin for this remarkable success!

Exciting Learning Adventure for Figures (Year 7)!

Last week, our Figures (Year 7) pupils had the incredible opportunity to explore the fascinating world of water treatment at the Botanical Garden reservoir, thanks to the Penang Water Authority (PBA). The Botanical Gardens reservoir stands as a testament to Malaysia's rich history, being the oldest water treatment plant in the country, dating back to 1804! Today, it continues to serve a vital role, providing clean water to over 10,000 Penangites.

Experiences like these extend beyond the classroom, offering our pupils real-world insights and sparking their curiosity about the world around them. A huge thank you to the PBA for this invaluable opportunity, and to our Figures (Year 7) pupils for their enthusiastic participation! Let's continue to embrace every opportunity for hands-on learning and exploration.

Journée internationale de la Francophonie

The pupils at Stonyhurst International School Penang kicked off the Journée Internationale de la Francophonie 2024 with a bang with a pupil-led assembly that included beautiful vocals, entertaining dancers and talented musical performers as well as a plethora of information about what this day means and celebrates. Together with the performers, the MCs spoke eloquently and were intentional in how they approached the rationale behind this special day and prophetic in the way in which they delivered the assembly in such an enthusiastic and meaningful way. On the day itself, pupils came to school dressed in the colours of the Tricolore (the French flag) and took part in a number of activities ranging from QR Quiz hunts, to a French cinema experience and a lunchtime game of Pétanque. It was magical to see our pupils wholeheartedly take part in this special day!

International Pi Day

On 14th March, our pupils embraced the spirit of International Day of Mathematics, also known as Pi Day, with a diverse range of engaging activities. Our specialist teachers took the opportunity to emphasise the significance of mathematics in their respective subjects. Through insightful discussions, pupils gained a deeper understanding of how mathematics forms the foundation of various disciplines. Pi Day proved to be an enriching and enjoyable experience for our pupils, fostering a greater appreciation for the beauty and importance of mathematics in our daily lives.

Faith that does Justice

Blood Donation

Global Perspectives pupils will be co-organising a blood donation campaign as part of their IGCSE team project. The event is organised by the Kek Lok Si charitable hospital, and will be held at Disted College on 30th March. Our pupils will be supporting blood donors on that day. We hope parents and the wider community will join us as donors in the blood donation campaign.

Perspective and Horizons

Island Hospital Dentist Visit for Pre-Prep 2 Pupils

Our Prep-Prep 2 pupils recently enjoyed an engaging and educational visit from a dentist in Island Hospital. Through interactive sessions and activities, pupils learned valuable lessons in dental health and hygiene. Highlights of the visit included storytelling sessions, hands-on experiments with eggs to learn about cavities, and interactive activities on proper brushing techniques. The visit concluded with a unique opportunity for pupils to step inside an ambulance. A big thank you to Island Hospital for providing our pupils with this enriching experience!
