

Academic Excellence

Lian has showcased exceptional talent and dedication in the field of mathematics

Our Lower Prep pupil, Lian has demonstrated exceptional talent and dedication in mathematics. She won a silver medal in the prestigious Singapore Math Challenge (SMC), earning her eligibility to participate in the Singapore Math Global Final (SMGF) 2024. Representing Malaysia at the SMGF, Lian clinched a remarkable bronze medal. Her outstanding performance at the SMGF led to an invitation to compete in the Singapore International Math Olympiad Challenge (SIMOC) 2024. Additionally, Lian recently secured a bronze medal at the Singapore & Asian Math Olympiad (SASMO) 2024, further qualifying her for SIMOC 2024. Lian's journey exemplifies a commitment to continuous growth and development. We congratulate her on her achievements and look forward to witnessing her continued success in the future!

Mio's Remarkable Achievements

We are thrilled to share the recent accomplishments of Mio from Lower Elements, who has excelled in both music and mathematics this term. In April, Mio participated in a piano recital, where she delivered an outstanding performance. Her dedication and practice paid off, as she played even better than during rehearsals. Her music captivated the audience, ensuring they kept rhythm with her performance. Mio received a certificate for her excellent recital. "It was exciting," she shared, reflecting on her experience.

Recently, Mio also participated in the SCEDUS Math Explorace, an event that aims to challenge and engage young mathematicians. The participants were divided into five teams, with Mio joining the green team. Throughout the event, Mio formed a new friendship with a teammate, and together they contributed to their team's success. Their efforts were rewarded when the green team secured first place. Mio described the event as a fun and memorable experience, expressing her eagerness to participate again.

Congratulations to Mio on her impressive achievements! We are incredibly proud of her hard work and enthusiasm. Keep up the great work, Mio!

Willow Shines in T-Shirt Design Competition

We are thrilled to announce that Willow from Lower Prep secured the second prize in the T-Shirt Design Award Ceremony, which took place at SplitSplat on May 18, 2024. The Split Splat event was a celebration of young artists' ingenuity and imagination, and Willow's achievement is a testament to her hard work and dedication. Winning second prize in such a competitive field is a remarkable accomplishment, and we are incredibly proud of her success. We look forward to seeing more of her creative endeavours in the future.

Congratulations, Willow!

Haruka - A Star in Crochet CCA

We are delighted to highlight the remarkable talent of one of our pupils, Haruka from Lower Elements, who has truly excelled in our Crochet CCA. With high enthusiasm and a keen interest in learning this intricate craft, Haruka joined the Crochet CCA. Her crochet skills would not only impress but also inspire everyone, including her CCA teacher, Ms. Bryony!

We are immensely proud of Haruka and her accomplishments in the Crochet CCA. Her work has been an inspiration to her peers and a joy to witness for her teachers. Congratulations, Haruka, on your outstanding achievements in crochet! Keep up the fantastic work, and continue to inspire us all with your talent and creativity.

Perspective and Horizons

Igniting Brilliance: Stonyhurst vs Penang Free School

What a thrilling clash of minds at the mock debate held here recently, where Penang Free School and Stonyhurst pupils engaged in a battle of wits in preparation for the World Scholars Cup Global Round! During the mock debate, we were fortunate to be able to witness these young scholars showcasing their brilliance, eloquence, and passion for knowledge.

Infused with the Jesuit values like discernment, excellence, and service, the debate resonated with Stonyhurst's vision of nurturing holistic individuals committed to making a positive impact on the world. With minds sharpened and spirits ignited, Stonyhurst is now ready to conquer the upcoming global round.

We wish all our scholars the very best as they embark on this extraordinary journey!
